SPECIAL COMMITTEE ON THE SITUATION
WITH REGARD TO THE IMPLEMENTATION
OF THE DECLARATION ON THE GRANTING
OF INDEPENDENCE TO COLONIAL COUNTRIES
AND PEOPLES

Letter dated 20 July 1995 from the Permanent Representative of Bulgaria to the United Nations addressed to the Chairman of the Special Committee

I have the honour to inform you that, having been a member of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples since its creation in 1961, the Republic of Bulgaria will terminate its membership in the Special Committee as of 1 August 1995. Due to its limited personnel resources, the Permanent Mission of Bulgaria has to focus its attention and efforts on other more important areas of United Nations activities, as it is required to do by the new foreign policy priorities of the country.

Although membership in the Special Committee is not specifically linked to regional groups, the discontinuation of the membership of the Republic of Bulgaria in the Special Committee is also being made known to the Group of Eastern European States, so that another member of this group of countries can apply for membership in the Special Committee.

I would be grateful if you could bring the present letter to the attention of the other members of the Special Committee.

(Signed) Slavi PASHOVSKI

SPECIAL COMMITTEE ON THE SITUATION
WITH REGARD TO THE IMPLEMENTATION
OF THE DECLARATION ON THE GRANTING
OF INDEPENDENCE TO COLONIAL
COUNTRIES AND PEOPLES

ACTIVITIES OF FOREIGN ECONOMIC AND OTHER INTERESTS WHICH IMPEDE THE IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES IN TERRITORIES UNDER COLONIAL DOMINATION

Resolution adopted by the Special Committee at its 1453rd meeting, on 16 August 1995

The Special Committee on the situation with regard to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Having considered the item entitled "Activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination",

Recalling General Assembly resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as all its other resolutions on this subject, including, in particular, resolution 46/181 of 19 December 1991, endorsing the Plan of Action for the International Decade for the Eradication of Colonialism, 1/

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

---

1/ See A/46/634/Rev.1.

95-24462 (E) 220895 230895

Reaffirming also that any economic or other activity that constitutes an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstructs efforts aimed at the elimination of colonialism is a direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Reaffirming that the natural resources are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories,

Aware of the special circumstances of the geographical location, size and economic conditions of each Territory and bearing in mind the need to promote economic stability, diversification and strengthening of the respective economies of each Territory,

Conscious of the particular vulnerability of the small Territories to natural disasters and environmental degradation,

Conscious that foreign economic investment when done in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes could make a valid contribution to the socio-economic development of the Territories and could make a valid contribution to the exercise of their rights to self-determination,

Concerned about the activities of those foreign economic, financial and other interests that exploit the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories and deprive them of their rights to control the wealth of their countries,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

1. Reaffirms the inalienable right of the peoples of colonial and Non-Self-Governing Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

2. Reiterates that any administering Power that deprives the colonial peoples of Non-Self-Governing Territories of the exercise of their legitimate rights over their natural resources, or subordinates the rights and interests of those peoples to foreign economic and financial interests, violates the solemn obligations it has assumed under the Charter of the United Nations;

3. Reaffirms its concern about the activities of those foreign economic, financial and other interests that continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and

impeding the realization by those peoples of their legitimate aspirations for self-determination and independence;

4. Reiterates its deep concerns about those activities of foreign economic and other interests in the colonial and Non-Self-Governing Territories that are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and the efforts to eliminate colonialism;

5. Calls once again upon all Governments that have not yet done so to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in colonial and Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises and to prevent new investments that run counter to the interests of the inhabitants of those Territories;

6. Reiterates that the exploitation and plundering of the marine and other natural resources of colonial and Non-Self-Governing Territories by foreign economic interests, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

7. Invites all Governments and organizations of the United Nations system to take all possible measures to ensure that the permanent sovereignty of the peoples of colonial and Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

8. Urges the administering Powers concerned to take effective measures to safeguard and guarantee the inalienable right of the peoples of the colonial and Non-Self-Governing Territories to their natural resources and to establish and maintain control over the future development of those resources, and requests the administering Powers to take all necessary steps to protect the property rights of the peoples of those Territories;

9. Calls upon the administering Powers concerned to ensure that no discriminatory and unjust wage systems or working conditions prevail in the Territories under their administration and to apply in each Territory a uniform system of wages to all the inhabitants without any discrimination;

10. Requests the Secretary-General to continue, through all means at his disposal, to inform world public opinion of those activities of foreign economic and other interests that impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples;

11. Appeals to the mass media, trade unions and non-governmental organizations, as well as individuals, to continue their efforts for the full implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples;

12. Decides to continue to monitor closely the situation in the colonial and Non-Self-Governing Territories so as to ensure that all economic activities

in those Territories are aimed at strengthening and diversifying their economies in the interest of the indigenous peoples and at promoting the economic and financial viability of those Territories, in order to facilitate and accelerate the exercise by the peoples of those Territories of their right to self-determination and independence;

13. Decides to keep the item under continuous review.

SPECIAL COMMITTEE ON THE SITUATION WITH REGARD TO THE IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES

MILITARY ACTIVITIES AND ARRANGEMENTS BY COLONIAL POWERS IN TERRITORIES UNDER THEIR ADMINISTRATION

Decision adopted by the Special Committee at its 1453rd meeting, on 16 August 1995

1. The Special Committee, having considered the item entitled "Military activities and arrangements by colonial Powers in Territories under their administration" and recalling General Assembly resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

2. Aware of the presence of such bases and installations in some of those Territories, the Special Committee urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

3. The Special Committee reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Committee once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with the relevant resolutions of the General Assembly.

4. The Special Committee reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

5. The Special Committee deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

6. The Special Committee takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

7. The Special Committee requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories that constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

8. The Special Committee decides, subject to any directives that the General Assembly may give in this connection at its fiftieth session, to continue to consider the item at its next session.

IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES BY THE SPECIALIZED AGENCIES AND THE INTERNATIONAL INSTITUTIONS ASSOCIATED WITH THE UNITED NATIONS

Resolution adopted by the Special Committee
at its 1453rd meeting, on 16 August 1995

The Special Committee,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Having considered the reports submitted on the item by the Secretary-General 1/ and the Acting Chairman of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples on his consultations with the President of the Economic and Social Council, 2/

Recalling General Assembly resolutions 1514 (XV) of 14 December 1960 and 1541 (XV) of 15 December 1960, and resolutions of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as other relevant resolutions and decisions,

2/ A/AC.109/L.1838.

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

Conscious of the need to facilitate the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Noting that the large majority of the remaining Non-Self-Governing Territories are small island Territories,

Welcoming the assistance extended to Non-Self-Governing Territories by certain specialized agencies and other organizations of the United Nations system, in particular the United Nations Development Programme,

Stressing that, because the development options of small island Non-Self-Governing Territories are limited, there are special challenges to planning for and implementing sustainable development and that those Territories will be constrained in meeting the challenges without the continued cooperation and assistance of the specialized agencies and other organizations of the United Nations system,

Stressing also the importance of securing necessary resources for funding expanded assistance programmes for the peoples concerned and the need to enlist the support of all major funding institutions within the United Nations system in that regard,

Reaffirming the mandates of the specialized agencies and other organizations of the United Nations system to take all the appropriate measures, within their respective spheres of competence, to ensure the full implementation of General Assembly resolution 1514 (XV) and other relevant resolutions,

Expressing its appreciation to the Organization of African Unity, the South Pacific Forum and the Caribbean Community, as well as other regional organizations, for the continued cooperation and assistance they have extended to the specialized agencies and other organizations of the United Nations system in this regard,

Expressing its conviction that closer contacts and consultations between and among the specialized agencies and other organizations of the United Nations system and regional organizations help to facilitate the effective formulation of assistance programmes to the peoples concerned,

Mindful of the imperative need to keep under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating thereto,

Bearing in mind the extremely fragile economies of the Non-Self-Governing small island Territories and their vulnerability to natural disasters, such as hurricanes, cyclones and sea-level rise, and recalling other relevant General Assembly resolutions

Recalling General Assembly resolution 49/41 of 9 December 1994 on the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations,

1. Takes note of the report of its Acting Chairman on his consultations with the President of the Economic and Social Council 2/ and endorses the observations and suggestions arising therefrom; 3/

2. Recommends that all States intensify their efforts in the specialized agencies and other organizations of the United Nations system to ensure implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and other relevant resolutions of the United Nations;

3. Reaffirms that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute to the implementation of the Declaration and all other relevant General Assembly resolutions;

4. Reaffirms also that the recognition by the General Assembly and other United Nations organs of the legitimacy of the aspirations of the peoples of Non-Self-Governing Territories to exercise their right to self-determination entails, as a corollary, the extension of all appropriate assistance to those peoples;

5. Expresses its appreciation to those specialized agencies and other organizations of the United Nations system that have continued to cooperate with the United Nations and the regional and subregional organizations in the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations;

6. Requests the specialized agencies and the international institutions associated with the United Nations, as well as regional organizations, to examine and review conditions in each Territory so as to take appropriate measures to accelerate progress in the economic and social sectors of the Territories and strengthen existing measures of support and formulate appropriate programmes of assistance to the remaining Non-Self-Governing Territories, within the framework of their respective mandates, in order to accelerate progress in the economic and social sectors of those Territories;

7. Recommends that the executive heads of the specialized agencies and other organizations of the United Nations system formulate, with the active cooperation of the regional organizations concerned, concrete proposals for the full implementation of the relevant resolutions of the United Nations and submit the proposals to their governing and legislative organs;

8. Also recommends that the specialized agencies and other organizations of the United Nations system continue to review at the regular meetings of their

governing bodies the implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations;

9. Welcomes the continued initiative exercised by the United Nations Development Programme in maintaining close liaison among the specialized agencies and other organizations of the United Nations and in providing assistance to the peoples of Non-Self-Governing Territories;

10. Encourages Non-Self-Governing Territories to take steps to establish and/or strengthen disaster preparedness and management institutions and policies;

11. Requests the administering Powers concerned to facilitate the participation of appointed and elected representatives of Non-Self-Governing Territories in the relevant meetings and conferences of the agencies and organizations so that the Territories may benefit from the related activities of the specialized agencies and other organizations of the United Nations system;

12. Recommends that all Governments intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to ensure the full and effective implementation of General Assembly resolution 1514 (XV) and other relevant resolutions of the United Nations and, in that connection, accord priority to the question of providing assistance to the peoples of the Non-Self-Governing Territories;

13. Requests the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken in implementation of the relevant resolutions, including the present resolution, since the circulation of his previous report;

14. Commends the Economic and Social Council for its debate and resolution on this issue and requests it to continue to consider, in consultation with the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, appropriate measures for coordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;

15. Requests the specialized agencies to report periodically to the Secretary-General on the implementation of the present resolution;

16. Requests the Secretary-General to transmit the present resolution to the governing bodies of the appropriate specialized agencies and international institutions associated with the United Nations so that those bodies take the necessary measures to implement the resolution, and also requests the Secretary-General to report to the General Assembly at its fifty-first session on the implementation of the present resolution;

17. Decides, subject to any directives the General Assembly might wish to give at its fiftieth session, to continue to examine the question and to report thereon to the Assembly at its fifty-first session.
